"Just Walk Across the Room"

What if you knew that by simply crossing the room and saying hello to someone you could change that person's *forever?*

Pointing people to faith is something each of us can do -- and it can start on the heels of a simple walk across the room.

This worship series will help us ALL learn to be a little more comfortable sharing faith through friendship.

TODAY Grander Vision Living

We'll continue to explore these themes at Sunday Bible study (9:40 am) today and next Sunday, Feb 12.
